

## **Workshop on “Improving the quality of democracy in Central and Eastern Europe through EU”**

Academic coordinators of the project are Professors Leonardo Morlino (Istituto Italiano di Scienze Umane) and Wojciech Sadurski (EUI). This will be an intensive work-in-progress workshop on the impact of EU on the quality of democracy in selected post-communist European countries. It will address EU’s impact on Constitutional justice, executive-legislative relations, decentralisation and regionalism, and the Ombudsman. Please note that the number of places for non-project member participants are limited. Please register with [Alina.Stanciulescu@EUI.eu](mailto:Alina.Stanciulescu@EUI.eu).
